About The Institute

SSMIET was promoted by Sri Shanmugavel Mills group. Sri Shanmugavel Mills is one of the leading business houses in Textile Industry in Dindigul District for over 30 years. SSM Group's strong desire to offer world class high quality Engineering Education has led to the launch of SSM Institute of Engineering and Technology at Dindigul from the academic year 2011-2012. It has attracted exemplary team of globally reputed stalwarts to transform the education initiative, a completely different one as compared to hundreds of institutions functioning in the country.

About the IPR workshop

Intellectual Property Right (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual property (IP) in this era of globalization, it is important to recognize the role which IP system plays in the growth of the nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the country, SSMIET is organizing one day workshop on Intellectual property rights at our campus.

Objective

The one day IP awareness workshop aims at establishing a basic level of IP awareness amongst the workshop participants. The workshop is intended to cover various aspects of IPR like Patents, Copyrights, and Trademarks etc. This workshop would focus on

- Importance and scope of IPR in academic researchers
- Types of innovations patentable and how to test your patentability of your innovations
- Procedure of patent writing, patent filing and the process of granting patent
