Bloodathon – Report

The Bloodathon 5km Marathon Race was a thrilling event organized to promote fitness and raise awareness about the importance of blood donation. The event was held on 17.04.2025 (Thursday) at GH's Entrance, organized by the Life Savers Squad, Government Medical College and Hospital. The marathon was open to all above 18 and aimed to engage the youth in physical activity while educating them about the life-saving significance of donating blood.

The event began at 6.45 am with participants gathering at Entrance of Government Hospital, Dindigul. Students from various colleges came together for this cause. The 5km route, starting from entrance of Government Hospital and ending at the same, was well-marked and safe for all runners.

The race saw enthusiastic participation, with students of all fitness levels joining the challenge. Volunteers provided support along the route, ensuring the safety and well-being of all participants. Additionally, the event was accompanied by a blood donation drive at the finish line, where students were encouraged to donate blood.

Over 300 various college students, 6 students of SSMIET out of 300 registered for the marathon, with a wide representation from different colleges. The event attracted a mix of seasoned runners, first-time participants, and even those who joined for the cause of blood donation awareness. Participants were provided with event t-shirts and hydration support throughout the race. The top three runners were awarded prizes and special mentions were given to those who demonstrated remarkable dedication and spirit.
