## Passport Awareness Program (Report)

The NSS unit of SSMIET organized an awareness program on the necessity of having a passport and issuance of a passport among the students on 12.11.2024 (Tuesday) at 10.45 am held at Seminar Hall-3, SSMIET, Dindigul. The NSS programme officer of this college, along with the around 250 students, the teaching and non-teaching staff, and the passport service agency, have actively taken part in this program. We have sensitized the students about the importance and benefits of having a passport for education or job-related purposes, both at the international and national levels. The resource persons of Angel Passport Service, Mr. L.Benner Asir Raja and Mr. A.E Jones Samuel have cleared a number of doubts expressed by the students about the procedures to be followed to obtain a passport. A very fruitful interaction session that has taken place during the program has helped the students to gain a good amount of awareness on the topic. **OUTCOME:** The students have gained awareness about opportunities for Education/ Jobs in an international level and the opportunity to get their doubts cleared about the procedures that are to be followed to obtain a passport without any difficulty. This has made them understand certain rules and regulations involved and gained an exposure to interacting with resource persons. Then, on 19.11.2024 (Tuesday) conducted a Passport Registration Camp. Around 89 students and staff registered directly in the Passport Registration camp.
