Circular

The Department of Computer Science and Engineering and CSI Chapter has planned to conduct the "Tree Sapling Ceremony" on 09.05.2025 at 07.03 am. All CSE Final year students are required to participate in the tree sapling ceremony and plant a sapling. All of our final year students and faculty members and staff are expected to attend this function.

TREE SAPLING CEREMONY- REPORT

As an extension of the Student Day Celebration, the Department of Computer Science and Engineering and CSI Chapter organized a **Tree Sapling Ceremony** on **09.05.2025 at 7.30 am** to mark the contributions of the outgoing IV-year students and promote environmental responsibility. The event symbolized growth, sustainability, and the lasting impact students leave behind as they move forward in life.

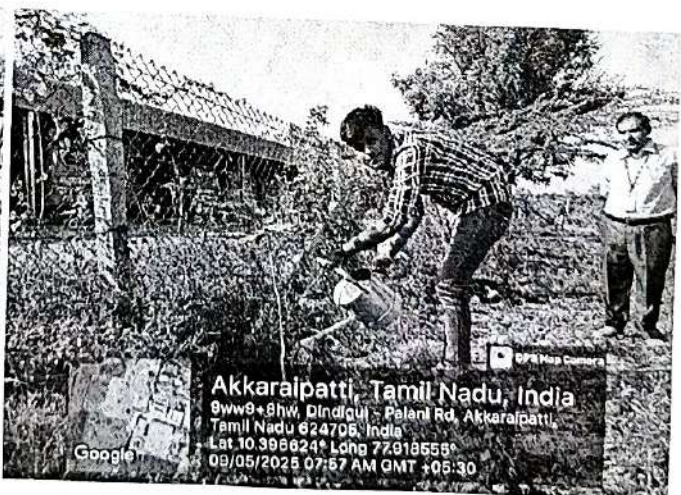

The ceremony began with the **Principal** planting the first sapling, marking the formal commencement of the event. This was followed by Dr. C. Sujatha, HOD/CSE, faculty members, and students taking part in planting additional saplings across the campus.

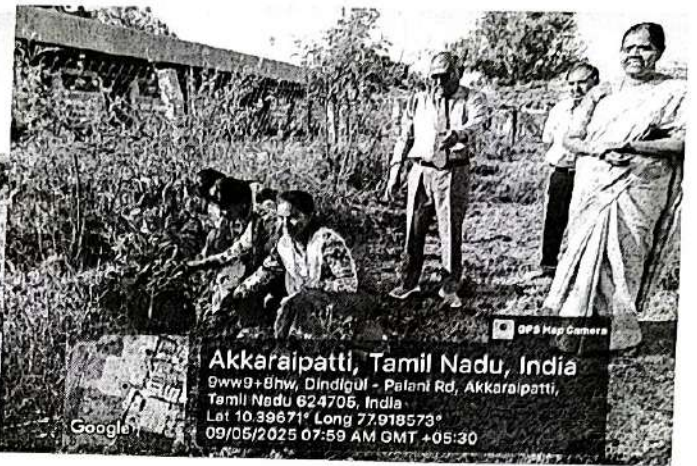

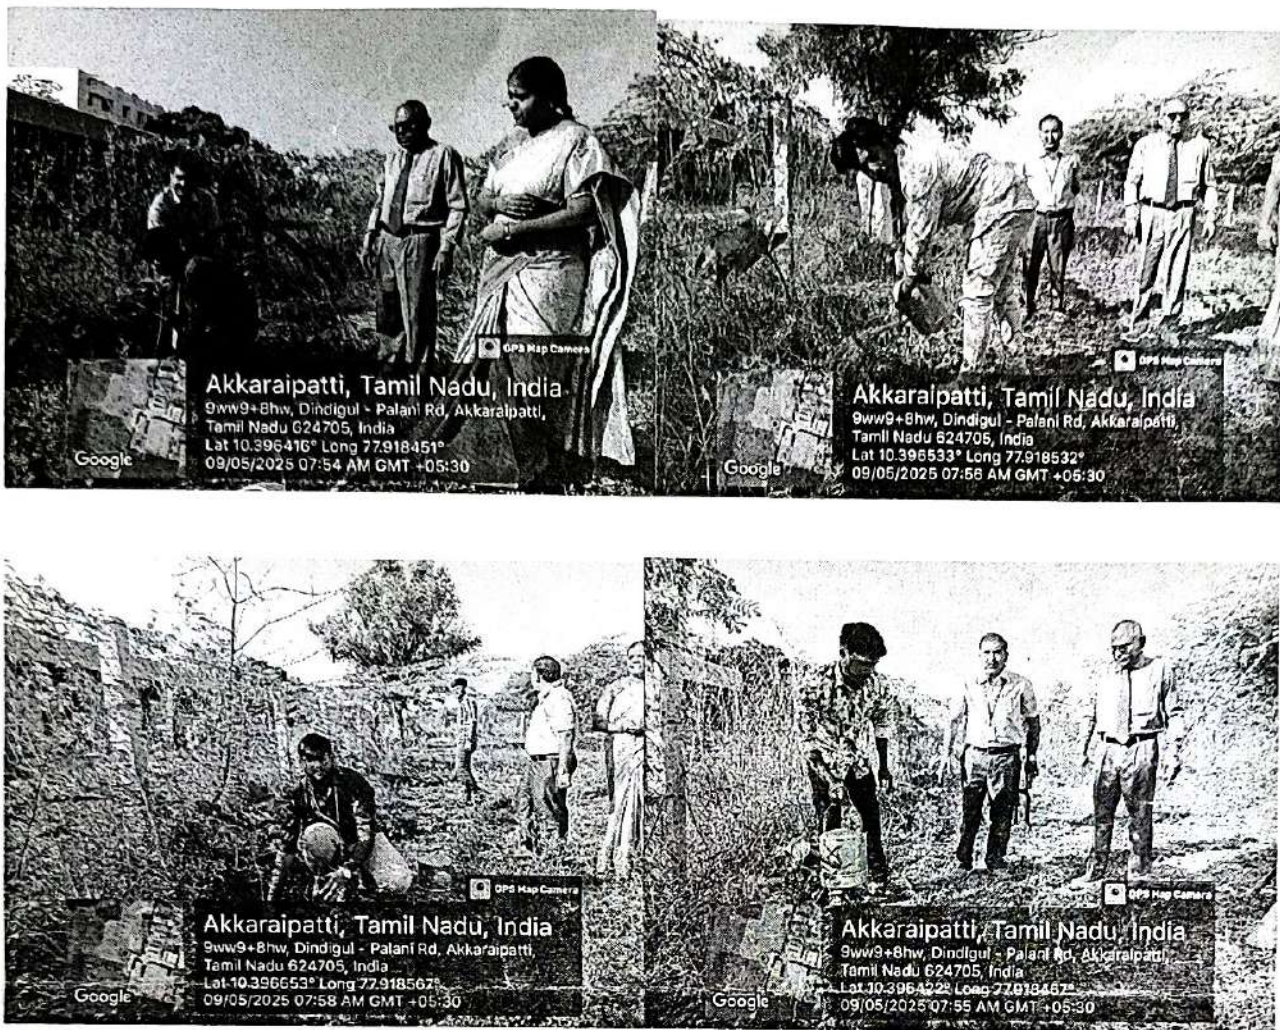

The participation of the **IV-year students** gave the event special significance, as each sapling symbolized their journey and contribution to the institution.

Importantly, each sapling was tagged with the batch year and the names of the students who planted it, symbolizing a personal and lasting contribution to the institution's green space.

Outcome

A total of 30 saplings were planted during the ceremony. The activity instilled a sense of environmental commitment and served as a living tribute to the graduating class. The saplings will be regularly monitored by the department in coordination with students.

Conclusion

The Tree Sapling Ceremony served as a beautiful and thoughtful conclusion to the Student Day celebration. It not only honored the IV-year students but also reinforced the importance of sustainable practices within the academic community. The Department of CSE hopes to continue this tradition in the coming years.

STUDENT DAY- REPORT

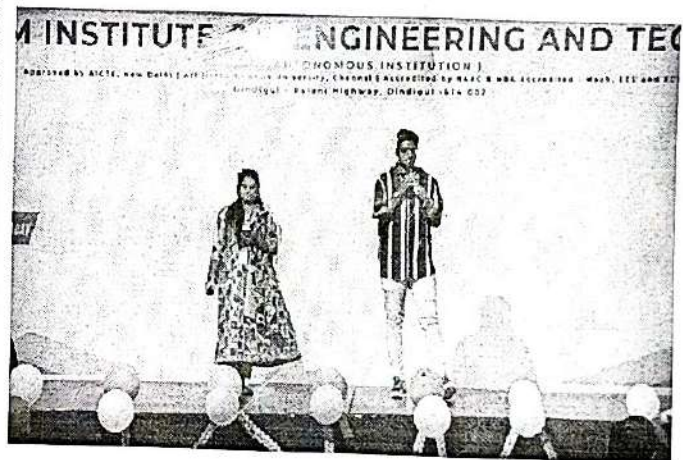

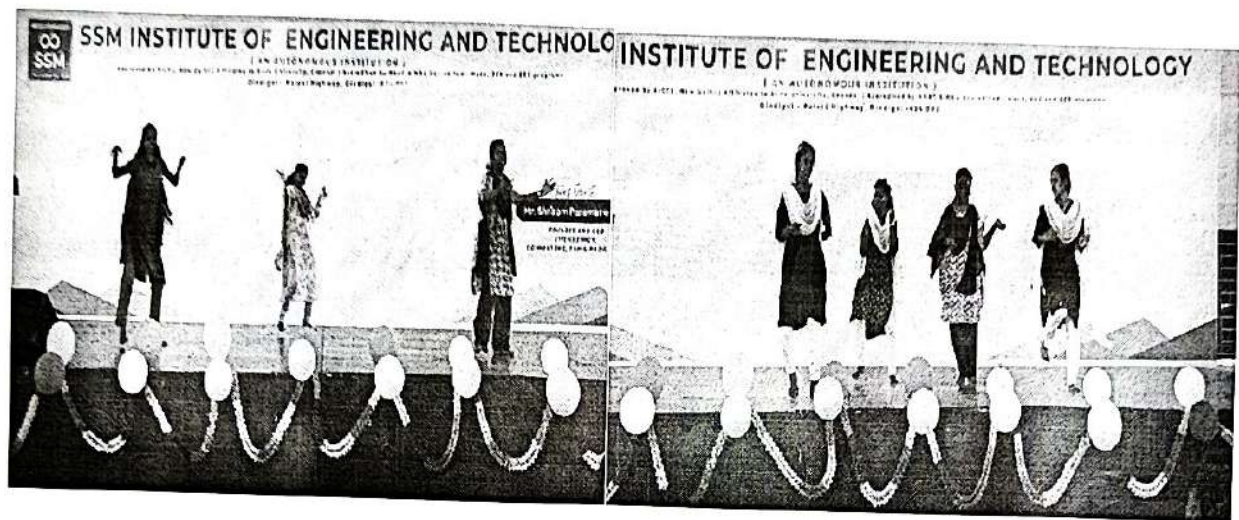

Student Day was celebrated with energy and enthusiasm at SSM Institute of Engineering and Technology, on 03.05.2025, organized by Computer Science and Engineering and CSI Chapter. The day served as a wonderful opportunity to appreciate student's hard work, encourage their creativity, and contributions of students, as well as to provide a platform for showcasing their talents and promoting camaraderie among peers.

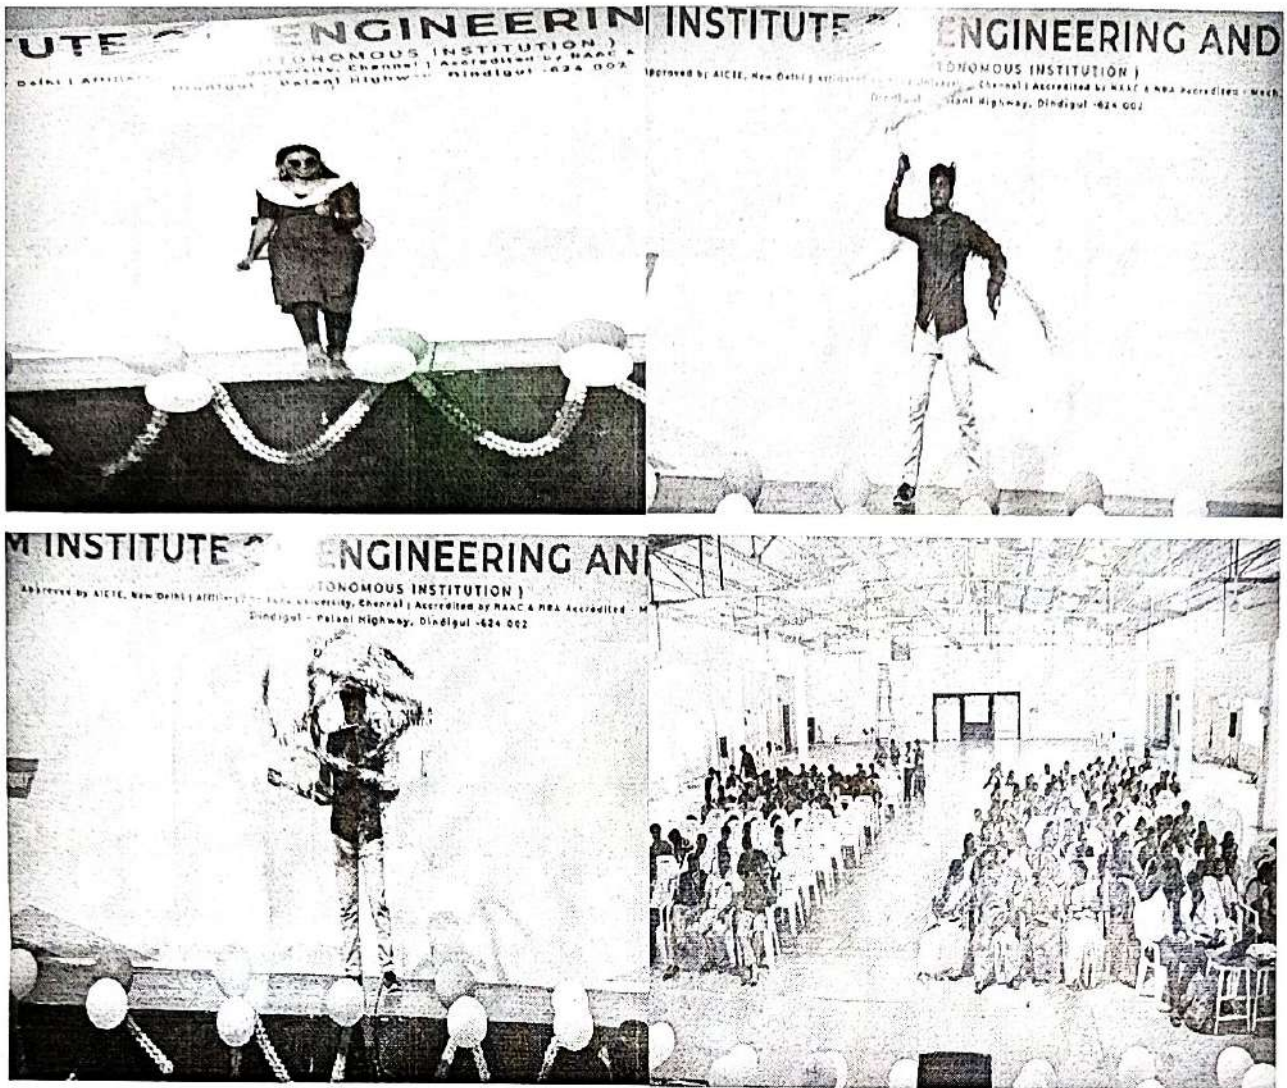

The event began with a welcome speech by Dr.C.Sujatha, HOD/CSE, followed by the student's Performance.

Student Performances

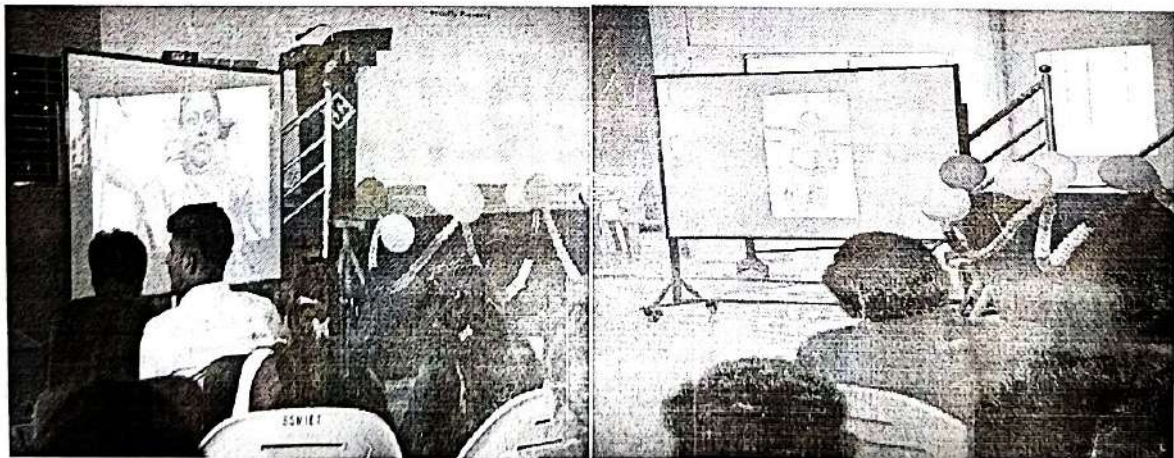

Students from II, III, and IV years actively participated in a vibrant cultural showcase. The performances included energetic dances, soulful musical renditions, and a striking demonstration of Silambam, a traditional martial art form. The talent and enthusiasm displayed by the students captivated the audience and added a dynamic spirit to the celebration.

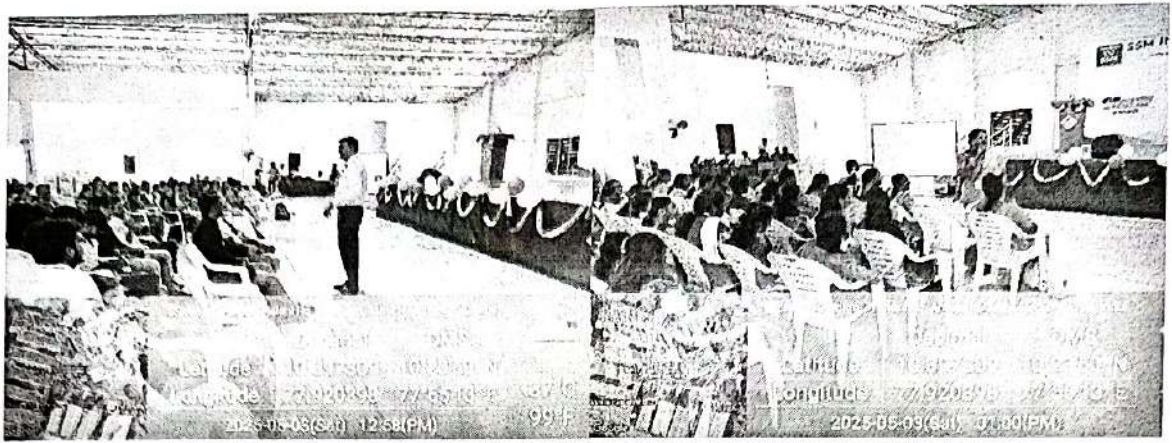

Farewell to Final-Year Students

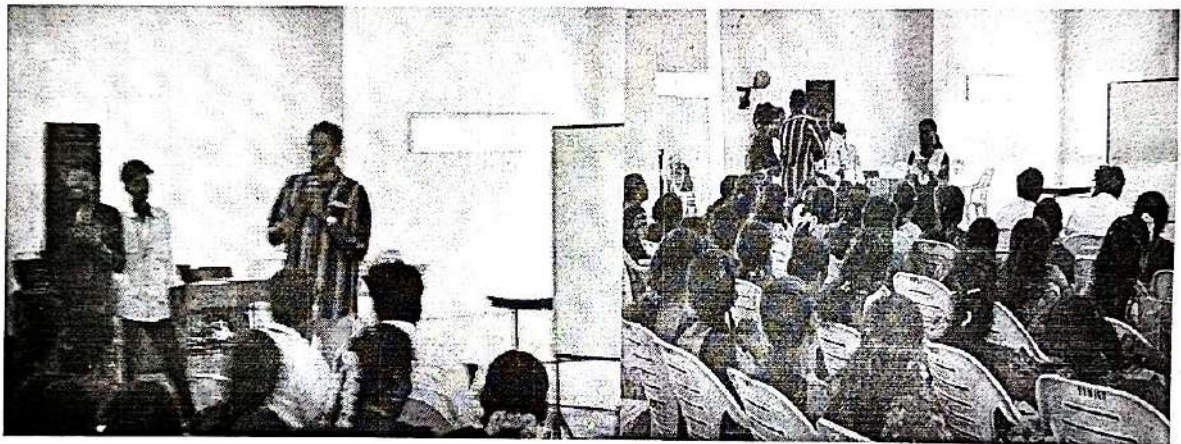

A special segment was dedicated to bidding farewell to the IV year students. The III and II year students came together to organize the farewell, which included emotional speeches, video presentations, and tokens of appreciation. It was a touching moment that celebrated the journey of the outgoing batch and wished them success in their future endeavors.

Conclusion

The event concluded with a vote of thanks delivered by Rakshitha.V of IV year CSE, appreciating the efforts of the organizing committee, teachers, and volunteers. The celebration was not only entertaining but also motivational, reminding students of their value and potential.

Student Day truly reflected the joy, talent, and promise of our young learners. It was a memorable occasion that left everyone inspired.

Respected Sir,

Sub: Requisition for cash Disbursement for **CLOUDUS 2K25** Prize Money – reg.

This is to bring to your kind notice that the Department of Computer Science and Engineering and CSI Chapter has planned to conduct a National Level Technical Symposium, **CLOUDUS 2K25** on **12th April 2025**. In this regard, we request you to disburse the cash prize money for the events. As per the events rules and regulations, the winners are entitled to a cash prize, details of which are as follows:

Technical Events

1st Prize – Rs. 2000/-

2nd Prize – Rs. 1500/-

3rd Prize – Rs. 1000/-

Non-Technical Events

1st Prize – Rs. 2000/-

2nd Prize – Rs. 1500/-

3rd Prize – Rs. 1000/-

S.No.	Event Name	Winners	Prize Money
Technical Events			
1	Technical Present	3	4500
2	Bug Smash	3	4500
3	Link & Sync	3	4500
4	Switch Talk	3	4500
Non-Technical Events			
5	Ciniverse	3	4500
6	IPL Blitz	3	4500
7	Music Hunt	3	4500
8	Tamil Treasures	3	4500
Total		24	36000

CLOUDUS 2K25 - REPORT

INTRODUCTION

The Department of Computer Science and Engineering of SSM Institute of Engineering and Technology, successfully conducted the National Level Technical Symposium **CLOUDUS '2K25** on 12th April, 2025. The event was designed to provide a platform for students from various engineering colleges to showcase their knowledge, skills, and innovative ideas in the fields of Cloud Computing, Artificial Intelligence, Data Science, and related technologies.

INAUGURATION CEREMONY

The symposium **CLOUDUS '2K25** commenced with a grand Inauguration Ceremony in the Auditorium. The event began at 9:30 AM with a warm **Welcome Address**. This was followed by the **traditional Lighting of the Lamp**, symbolizing the dispelling of ignorance and the onset of knowledge. Distinguished dignitaries, including the Chief Guest, invited guests, faculty members, and student representatives participated in the ceremony.

The **Principal** of the Institution **Dr.D.Senthil Kumaran** delivered a heartfelt **Felicitation Address**, praising the initiative taken by the School of Computing in organizing a national-level technical symposium. He encouraged students to utilize such platforms to share knowledge and innovate in the field of engineering and technology. Following this, the Head of the Department of CSE **Dr.C.Sujatha** proudly highlighted the **achievements of the Department of CSE**, including student accolades, faculty research contributions, and collaborative industry projects. This segment inspired attendees and showcased the department's consistent growth and excellence in technical education.

KEYNOTE ADDRESSES

The keynote session featured a highly insightful address by **Mr. Shriram Parameswaran, Founder and CEO of LIFE MAXIMUM, Coimbatore**. Mr. Parameswaran captivated the audience with his dynamic presentation, where he discussed the vital role of science and technology in transforming the engineering landscape. He emphasized the importance of interdisciplinary knowledge, innovation-driven learning, and the need for students to develop problem-solving mind sets.

Key takeaways from his address included:

- The impact of emerging technologies such as AI, IoT, and Cloud Computing on modern engineering.
- The significance of entrepreneurial thinking and adaptability in the tech-driven job market.
- Real-life case studies of technology-led transformations across industries.

The session was highly interactive, with students engaging in a brief Q&A at the end. Mr. Parameswaran's experiences and insights provided immense value and motivation to the aspiring engineers present.

AWARD OF EXCELLENCE – STUDENT PROJECT HONOURS

Following the keynote address, an **Award of Excellence** ceremony was conducted to **honour outstanding student projects** developed during the academic year. These projects showcased innovative applications of cloud computing, AI, data analytics, and automation.

The selected students were invited on stage and were awarded certificates, mementos and cash Prizes in recognition of their technical creativity, problem-solving skills, and contribution to research and development.

TECHNICAL & NON TECHNICAL COMPETITIONS

As part of the National Level Technical Symposium **CLOUDUS '2K25**, the *School of Computing* curated a vibrant blend of technical and non-technical events designed to engage, challenge, and inspire participants from across the country. The events witnessed enthusiastic and energetic participation, with students from **25 colleges** showcasing exceptional talent, teamwork, and sportsmanship. A total of **219 participants** took part in the various events, all of which were conducted with meticulous planning, coordination, and fairness. The symposium provided a platform for innovation, collaboration, and learning, making **CLOUDUS '2K25** a truly memorable and enriching experience for everyone involved.

Technical Events

1. **Technical Presentation (PPT)**

A platform for students to present innovative technical ideas and research topics through PowerPoint presentations. Judged on originality, technical depth, and presentation skills.

2. **Bug Smash (Debugging)**

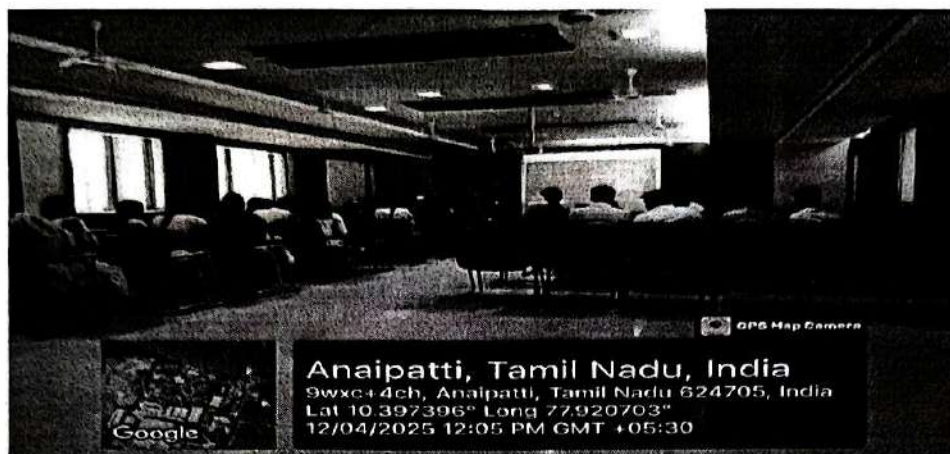

A high-speed debugging challenge where participants identified and fixed bugs in code under time pressure. It tested participants' logical thinking and coding skills.

3. **Link & Sync (Technical Connection)**

A fun, fast-paced event where participants had to connect technical clues and concepts to solve problems—challenging their analytical and association skills.

4. **Switch Talk (Balanced Talk Challenge)**

Participants were given technical topics and had to speak both **for and against** within the same round. A true test of communication, confidence, and critical thinking.

Non-Technical Events

1. Ciniverse

A movie-themed trivia and acting event where participants showcased their knowledge of films, iconic scenes, and performed short dramatizations.

2. Music Hunt

A musical scavenger hunt blending audio cues, lyrical puzzles, and team play. Participants had to identify songs, composers, or complete challenges based on music clues.

3. IPL Blitz

A cricket-themed quiz and prediction game inspired by the IPL. From stats and trivia to team challenges, it was a hit among sports lovers.

4. Tamil Treasure

A treasure hunt based on Tamil culture and language. Participants followed culturally-themed clues spread across campus in a race against time.

Note: The *Participants List* and *Winners List* are enclosed as annexures with this report for reference.

CONCLUSION:

The CLOUDUS '2K25 symposium, held on April 12th, 2025, concluded on a high note with a grand Valedictory Function that marked the successful culmination of the event. The function celebrated the outstanding achievements of participants, honored winners with certificates and cash prizes, and expressed heartfelt gratitude to everyone who contributed to making the symposium a resounding success. Participation certificates were distributed to all attendees as a token of appreciation. The Overall Championship Trophy was proudly awarded to PSNA College of Engineering and Technology, Dindigul, for securing the highest number of winning positions. The event not only fostered academic excellence and innovation but also created lasting memories for all involved.

Report on

Career LaunchPad-Tech Insights, Trends & Career Strategies

Date: 12.02.2025

Career Guidance Program on “Career LaunchPad-Tech Insights, Trends & Career Strategies” was conducted on 08/02/2025 in Seminar Hall - 3 for III CSE, AI&DS and CS&BS Students. Our chief guest and Alumni Mr. Prasanna Murugan, Founder & CEO of MARKPYROPRIME Tech Innovations and Solutions, Madurai has delivered the essential information about to support individuals in their transition from education to employment. It provides resources, mentorship, and training to equip participants with the skills and knowledge necessary to succeed in the modern job market. This report explores the key components, benefits, and impact of Career Launchpad programs.

Agenda

Topics Covered

- Industry Flow & Development Models:
 - ADDIE
 - Agile
 - Waterfall
- Advanced Development Models:
 - V-Model
 - Spiral
 - RAD
 - Incremental
- Emerging Tech Trends:
 - AI
 - Blockchain
 - Cloud
 - AR/VR
- Internship Benefits
- Career Strategies & Roadmap for Success in Tech

The expert delivered the tips and strategies for Career Strategies & Roadmap for Success in Tech, including Industry Flow & Development Models. He also discussed the Emerging Tech Trends and advanced Development models which is incorporated with Internships.

In conclusion, the seminar on "Career LaunchPad-Tech Insights, Trends & Career Strategies" was an enriching experience that surpassed the student's expectations and they are eagerly looking forward to attend future seminars regarding on that.

Dindigul.

To,
The Principal,
SSM Institute of Engineering and Technology,
Dindigul-Palani Highway,
Dindigul.

Respected Sir,

Sub: Requisition for conducting Intra Department Symposium – reg.

We wish to bring to your kind notice that the department of CSE and CSI chapter has planned to conduct an Intra Department Symposium Utsav on 7th, 8th, and 9th October 2024 in order to bring out the innate talents of our students. In this regard, we seek your permission for the conduct of Intra Department Symposium. Kindly give us the permission for the same.

Thanking you,

Yours truly,

G. L. H.

UTSAV 2024-25 - REPORT

INTRODUCTION

On the 7th, 8th & 9th of October 2024, the Computer Science Department of SSM Institute of Engineering and Technology hosted an Intra-Department Symposium. This event, held under the esteemed guidance of the Principal Dr. D. Senthil Kumaran and Head of the Department Dr. C. Sujatha, aimed to provide a platform for students and faculty to showcase their skills and creativity through various technical and non-technical events.

EVENT OVERVIEW

The symposium featured a range of activities, including both **Technical** and **Non-Technical** events. The event series began on the 7th of October 2024 at 09:00 am and continued until the 9th of October 2024, concluding at 12:30 pm. The prize distribution for the winners is scheduled to take place during the award ceremony, which will be held on the 21st of November.

- **Technical Events:**

1. Paper Presentation
2. JAM (Just a Minute)
3. Bug Buster
4. Technical Connection
5. Poster Design

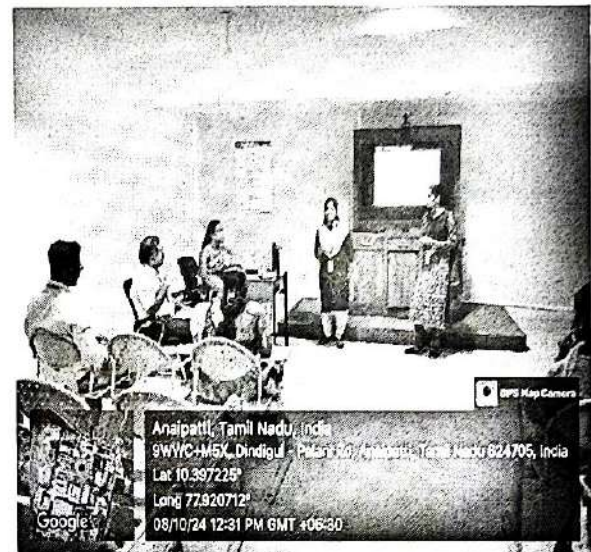

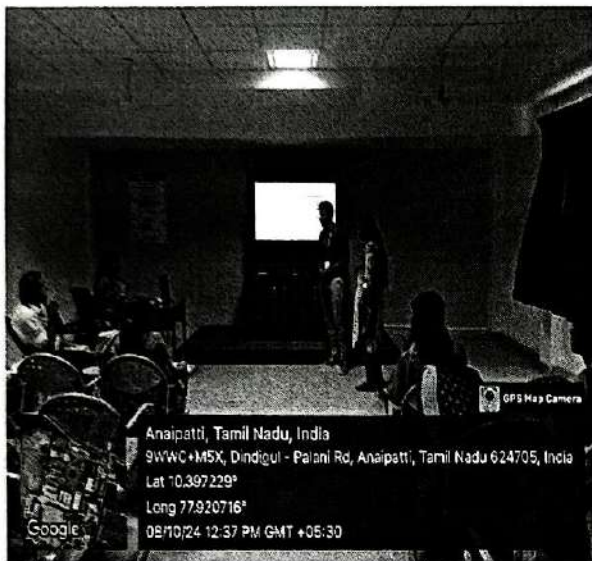

- **Non-Technical Events:**

1. Connection
2. Mystical Sketch
3. Art from Waste
4. IPL Blitz
5. Short Film

The faculty coordinators for this event were Mrs. K.Sureka (Assistant Professor, CSE) and Mrs.S.Suganya (Assistant Professor, CSE). The student coordinators were V.Manoj Kumar and C.Vaishnavi both from the IV year CSE.

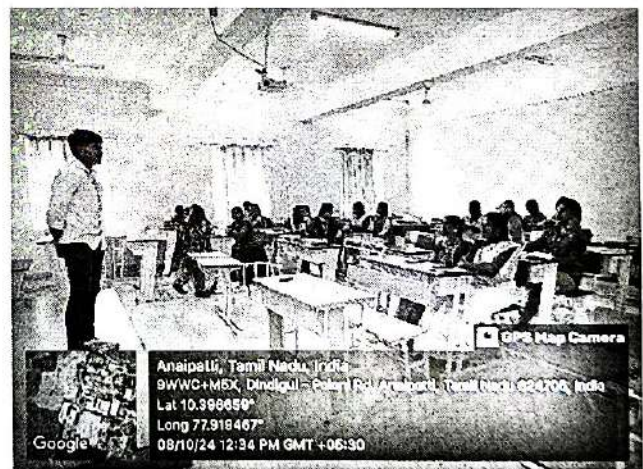

Paper Presentation:

No of Students Participated: 23 students registered. (12 teams)

JAM (Just a Minute)

No of Students Participated: 18 students

Bug Buster

No of Students Participated: 43 teams. 2 students for each team

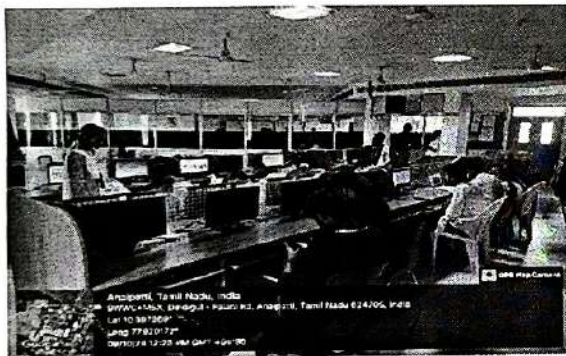

Technical Connection

No of Students Participated: 85 students

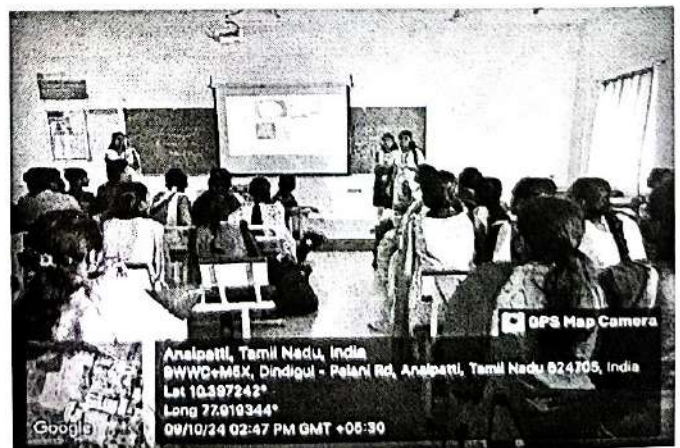

Poster Design

No of Students Participated: 45 students

Connection:

No of Students Participated: 89 students

Mystical Sketch

No of Students Participated:21 students

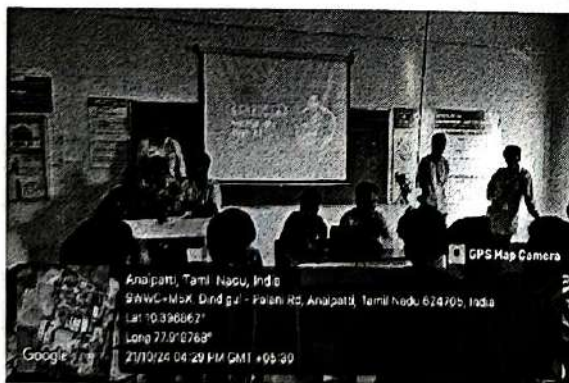

Art from Waste

No of Students Participated:26 students(13 teams)

IPL Blitz

No of Students Participated:44 students

Short Film

No of Students Participated: 15 students registered.(4 teams)

CONCLUSION:

In conclusion, the symposium, which took place from October 7th to October 9th, 2024, offered a diverse and engaging series of both **Technical and Non-Technical events**. The event provided a valuable opportunity for participants to engage with cutting-edge research, exchange ideas, and collaborate across disciplines.

Throughout the three-day event, attendees benefited from a range of insightful sessions, which showcased advancements in [insert field/topic]. The blend of technical discussions and non-technical activities ensured that all participants, regardless of their background, could actively contribute and learn. The symposium fostered an inclusive environment for knowledge sharing and networking, promoting both innovation and collaboration.

As the event concluded on the 9th of October, anticipation now builds for the **award ceremony** on November 21st, where the achievements of the winners will be celebrated. This upcoming ceremony will serve as a fitting conclusion to the symposium, recognizing the hard work and dedication of participants.

Respected Sir,

Sub: Requisition for conducting Association Inaugural **INVENIO** – reg.

We wish to bring to your kind notice that Association Inaugural is planned to be conducted for CSE students on 06.09.2024 at 10.30 pm. Chief guest Dr. Paul Williams, Semova Technology Services India Private Limited, Dindigul, provide the guest lecture on “**The Digital Disruption: Navigating the new Financial Landscape**”. In this regard, we seek your permission for the conduct of association inaugural function. We kindly request you to grant us the same.

Thanking you,

Yours truly,

G. L. K.

Department of Computer Science and Engineering**Association Inaugural Report****Date: 06/09/2024**

Our department Association "INVENIO" Inaugural function was conducted on 06/09/2024 in Seminar Hall 3. The chief guest Dr. A. Paul Williams, Head of India, Sernova Technology Services India Pvt Ltd delivered an expert talk on "The Digital Disruption: Navigating the New Financial Landscape". He elaborated upon the various technologies associated with corporate and also discussed about the companies decisions and actions that have an impact on the share price of the company. The intent behind organizing the session was to allow the students to analyze stock price movements and trading. Students were excited about a lecture from an industry expert and participated with great enthusiasm. 61 students attended the session which ended at around 12.00pm.
