MEMORANDUM OF UNDERSTANDING (MoU)

Between

SSM Institute of Engineering and Technology (SSMIET), Dindigul

And

Hygge Mobility Pvt. Ltd., Madurai

This Memorandum of Understanding (MoU) is entered into on this 23rd day of June, 2025, by and between:

SSM Institute of Engineering and Technology (SSMIET), located at Dindigul – 624002, Tamil Nadu, India, represented by its Principal, hereinafter referred to as the "First Party", AND Hygge Mobility Pvt. Ltd., located at 1/163, Nagari Main Road, Sithalangudi Village, Opposite to JK Fenner, Madurai District, Tamil Nadu – 625221, represented by its Managing Director/Authorized Representative, hereinafter referred to as the "Second Party".

Purpose

This MoU establishes a collaborative relationship between the First Party and the Second Party to promote research, development, innovation, and capacity building in:

- Electric Vehicle (EV) mobility technologies
- Renewable energy-based solutions
- Sustainable transportation systems

Hygge Mobility Pvt.Ltd. Madurai

With results now officially out, this is a defining moment for your institution and the projects you have championed. The real journey, however, begins now — translating a shortlisted idea into a funded, compliant, and market-ready innovation. We at Destimal Business Ventures work exclusively with HIEs, startups, and innovation cells navigating the post-selection landscape of government-backed grant programmes. Here is exactly how we can add value to your institution and your shortlisted teams, right from Day One: Grant Fund Management We ensure every rupee of your government grant is deployed efficiently, compliantly, and audit-ready — giving you full financial control without the administrative burden. PFMS Portal Support From registration to real-time fund tracking and utilization certificates, we provide end-to-end handholding on the Public Financial Management System (PFMS) — a process that most institutions find deeply challenging the first time around. https://mail.google.com/mail/u/0/?ik=b3db3cda90&view=pt&search=atl&permthid=thread-f:186271199125297713&siml=msg-f:18627119912529... 1/2

1	Ms.S.Geethanjali	1. Organized a two-day Boot Camp on 23–24 January 2026 under the SSMIET Foundation for Incubation and Institution's Innovation Council (IIC). Coordinated expert sessions on Industry 4.0, 5G, and Sustainable Technology to promote innovation and entrepreneurship. 2. Successfully completed the 6-day AICTE ATAL Faculty Development Programme on "Artificial Intelligence and Machine Learning Applications in Electric Vehicles and Renewable Energy Systems" from 02.02.2026 to 07.02.2026. Enhanced technical knowledge of AI and ML applications in electric vehicles and renewable energy systems. 3. Successfully completed the 6-day AICTE ATAL Faculty Development Programme on "Integrating AI & ML for Sustainable Electric Vehicle Development and Smart Mobility" from 05.01.2026 to 10.01.2026. Strengthened expertise in AI and ML applications for sustainable electric vehicles and smart mobility. 4. Organized the National Startup Day programme on 26.02.2026 as the Faculty Coordinator under the Institution's Innovation Council (IIC). Facilitated a session on startups, innovation, and entrepreneurship by Tamil Nadu Technology Hub (iTNT). 5. Organized a One-Day Seminar on "Chase the Sun While the Light Shines: Engineering Tomorrow's Solar Revolution" on 02.03.2026. Coordinated the expert session on solar energy technologies and sustainable engineering delivered by Dr. Arulraj Arunachalam. 6. Successfully participated in the two-day workshop on "Approach to National Education Policy (NEP) Implementation" held on 30–31 March 2026. Enhanced knowledge of NEP implementation, outcome-based education, and innovative teaching practices. 7. Organized a seminar on "Innovation, Incubation and Entrepreneurship" on 09.03.2026 under the SSMIET Foundation for Incubation and Institution's Innovation Council (IIC). Coordinated the expert session to promote innovation, startup culture, and entrepreneurial skills among students.

With results now officially out, this is a defining moment for your institution and the projects you have championed. The real journey, however, begins now — translating a shortlisted idea into a funded, compliant, and market-ready innovation. We at Destimal Business Ventures work exclusively with HIEs, startups, and innovation cells navigating the post-selection landscape of government-backed grant programmes. Here is exactly how we can add value to your institution and your shortlisted teams, right from Day One: ✅ Grant Fund Management We ensure every rupee of your government grant is deployed efficiently, compliantly, and audit-ready — giving you full financial control without the administrative burden. ✅ PFMS Portal Support From registration to real-time fund tracking and utilization certificates, we provide end-to-end handholding on the Public Financial Management System (PFMS) — a process that most institutions find deeply challenging the first time around. ✅ Prototype Development Support We connect your shortlisted project teams with the right technical partners, labs, and fabrication resources to bring their prototypes to life — on time and within grant budgets. ✅ Mentorship Programme Our curated network of industry mentors, domain experts, and serial entrepreneurs provides structured guidance to your innovators, accelerating their path from idea to impact. ✅ IPR Filing & Protection We assist teams in identifying patentable innovations, filing provisional and complete patent applications, and securing their intellectual property — a critical asset for long-term commercialisation. Why connect with us now? The timelines under MSME 5.0 are tight. Grant disbursements, compliance milestones, and prototype deadlines will approach faster than anticipated. Having a seasoned partner in place from the start means your teams focus on innovation — while we handle everything around it.

Faculty Achievements

Academic Year: 2025 -26

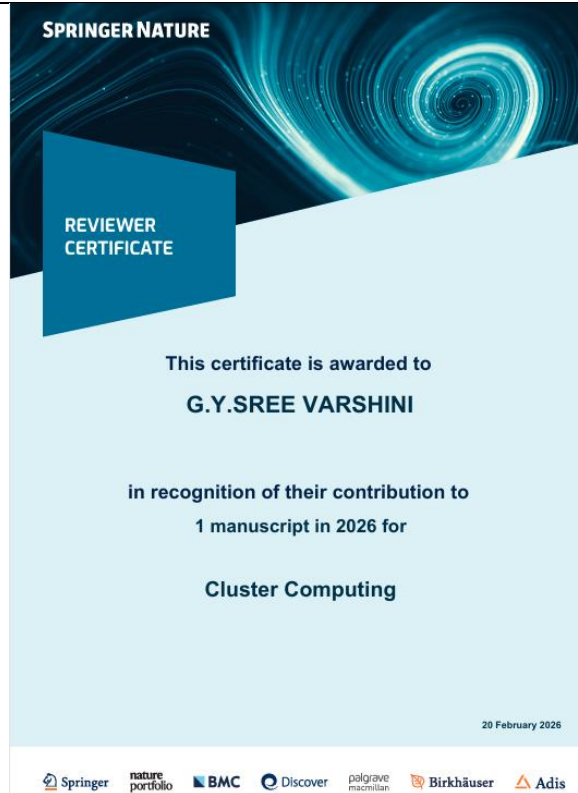

Semester: EVEN

S. No	Name of the Faculty	Faculty Participation, Presentation (Conferences) / Industry Connect / Certifications / QIP / FDP (List all the achievement in the Odd Semester)
1	Dr.G.Y.Sree Varshini	1. Acted as a Program Coordinator for the six-day Value Added Course on "Electric Vehicle Design", organized by the Department of Electrical and Electronics Engineering, SSM Institute of Engineering and Technology, from 23.02.2026 to 28.02.2026. 2. Served as a reviewer for 1 manuscript in the Journal of Control, Automation and Electrical Systems on 07.01.2026, in recognition of contribution to the peer-review process. 3. Served as a reviewer for 1 manuscript in Cluster Computing on 20.02.2026, contributing to the peer-review process of an international journal. 4. Served as a reviewer for 1 manuscript in Electrical Engineering on 15.05.2026, in recognition of professional service as a journal reviewer. 5. Served as a reviewer for 5 manuscripts in the Iranian Journal of Science and Technology, Transactions of Electrical Engineering on 06.07.2026, demonstrating active contribution to the international peer-review process. 6. Served as a Reviewer for the International Conference on Cognitive Computing, AI & Data Intelligence (ICCCAID 2026) and reviewed two conference papers. 7. Completed a two-day workshop on "Approach to National Education Policy Implementation", jointly organized by SSM Institute of Engineering and Technology and SSM College of Arts and Science, Dindigul, in association with Kalasalingam Academy of Research and Education, Krishnankoil, held on 30.03.2026 and 31.03.2026. 8. Served as a Program Coordinator for the "System Thinking Bootcamp" conducted by the Department of Electrical and Electronics Engineering at the i45G Knowledge Centre, Shri Ramanas ABC Polytechnic College, Dindigul, on 18.04.2026 and from 20.04.2026 to 22.04.2026.
