Entrepreneur s details (2017-2021 Batch)

Introduction:

Thilak .R .N is a dynamic entrepreneur with a passion for quality food and keen business acumen, is the founder and Managing Director of Jho Enterprises, a thriving food wholesale company specializing in high-quality ingredients and products.

Background:

Originally from a family with a traditional village heritage, Thilak developed an early appreciation for the importance of premium ingredients in creating exceptional dishes. With a degree in Business Administration and a focus on supply chain management, he combined his love for food with a strategic understanding of the industry.

Entrepreneurial Journey:

After gaining experience in the food industry and recognizing a gap in the market for top-tier ingredients accessible to businesses, Thilak founded Jho Enterprises in **2020**. His goal was to bridge the divide between high-end suppliers and local businesses, ensuring that restaurants, cafes, and retailers had access to the finest ingredients at competitive prices.

Business Model:

Jho Enterprises operates on a unique business model that emphasizes direct relationships with farmers, producers, and artisanal manufacturers. By cutting out unnecessary intermediaries, Thilak ensures that his clients receive the freshest and highest-quality products while maintaining cost-effectiveness.

Product Range:

The company's product portfolio spans a diverse range, including premium meats, organic products, exotic spices, and specialty Packing items. Thilak takes pride in introducing global products to the local market.

9.6 - Student Entrepreneur Report

Keerthana M.N.

Academic Excellence in Cloud Computing

Keerthana M.N. successfully completed the Cloud Computing – AZ900 Microsoft Azure Fundamentals course offered by Tarcin Robotics as part of her Value-Added Course during 06-03-2023 to 10-03-2023. Demonstrating strong technical skills, she cleared the Microsoft Azure Certification, validating her expertise in cloud technology.

Internship Opportunity at Tarcin Robotics

Her outstanding performance led to an internship opportunity at Tarcin Robotics, where she gained practical experience in cloud computing and related technologies, further strengthening her industry exposure.

Entrepreneurial Journey – Founder of LogicPies

Keerthana's passion for coding and technology inspired her to establish LogicPies, an online learning platform designed to provide high-quality courses for skill development. LogicPies offers expert-led lessons with flexible learning options, making education accessible to learners worldwide.

Mentorship and Knowledge Sharing

Beyond her achievements, Keerthana has also contributed to student development by training third-year students, helping them gain insights into cloud computing and industry-relevant skills.

Inspiring Future Innovators

Through her journey from a learner to a certified professional, mentor, intern, and entrepreneur, Keerthana M.N. exemplifies the power of skill development and innovation, inspiring students to explore new opportunities in technology and entrepreneurship.
