Report on

LAUNCH OF “POLICE AKKA” SCHEME AT SSMIET

On November 15, 2024, SSM Institute of Engineering and Technology (SSMIET) hosted the launch of the “Police Akka” scheme, a significant initiative undertaken by the Dindigul District Police to enhance the safety and security of female students. The event was attended by key officials from the Dindigul Police, including Mr. Balakrishnan (S.S.I). The event was organized by the Grievance Redressal Cell and held in Placement Cell at 02:30 PM. The event was led by Dr. G. Selvabharathi, Head of the Department of Civil Engineering and member in-charge of GRC of the college.

**About the initiative:**

The primary objective of the “Police Akka” scheme is to establish a strong rapport between the police and female students, thereby ensuring their safety and well-being within the college campus. A dedicated female police officer, named “Police Akka”, has been assigned to SSMIET to address the concerns and needs of female students, providing them with guidance and support.

The launch event commenced with a warm welcome address by Mr. Balakrishnan (S.S.I), who emphasized the importance of student safety and expressed gratitude to the Dindigul Police for their proactive approach. Subsequently, formally inaugurated the scheme, highlighting its significance in ensuring the well-being of female students.

A key highlight of the event was the introduction of the “Police Akka” to the students and staff of SSMIET. This provided an opportunity for interaction and building rapport between the police officer and the student community. **Mrs. Mukitha**, a Head Constable, is the "Police Akka" assigned to SSMIET. She also conducted an awareness session on various safety measures, including cyber security, self-defense techniques, and emergency response procedures.

The event concluded with an interactive Q&A session, where students were encouraged to ask questions and share their concerns. This facilitated open communication between the students and the police officer.

The successful launch of the “Police Sister” scheme is expected to have a positive impact on the safety and security of female students at SSMIET. By providing a dedicated point of contact, the scheme aims to create a safer campus environment, promote awareness about safety measures, and strengthen the relationship between the police and the student community.

Overall, the launch of the “Police Sister” scheme at SSM Institute of Engineering and Technology is a commendable step towards enhancing the safety and security of female students. By assigning a dedicated police officer, the scheme aims to create a secure and supportive learning environment. The college administration and students express their gratitude to the Dindigul District Police for their proactive approach and commitment to student welfare.
