LIBRARY

VISION

To support the transformation amongst students to excel in their professional domain by providing efficient and user – friendly access to learning resources at a single point

MISSION

To develop passion to each and every student to read and share by providing a conducive environment in the fast changing technological eco-system

About

The college has an exclusive building for central library with all amenities. Library has a collection of **30,515** volumes of recent and relevant technical books that covers all engineering topics narrated by authors of national and international repute. The books are classified according to the Dewey Decimal Classification system. Open access system is followed in the library. Before commencement of academic year, a circular will be given to all departments for book requirements. Based on the requirement of subject handling faculty and approved by head of the department, books are purchased properly during the academic year with the approval of Library Advisory Committee. New arrivals are updated in the library database for easy accessibility of students. The number of copies and titles are increased in each academic year as recommended by Anna University and AICTE.

A full range of service is provided in the Library, including reference, request scan and photocopy of materials, access to e-journals and browsing internet. To enhance the quality of learning and to reinforce research drive amongst the students, college subscribes National, International Journals and outstanding on line Journals.. Competent teachers instill in the young minds the habit of reading all the dailies and magazines which transform the students into scholars.

Owing to the advent of technology and speed of process in the library system, all the functions are automated. Catalogue (**OPAC**) of the holdings is available for online access through web. For handling thousands of books and journals periodically, library automation has been evolved from the beginning. The books are classified according to Dewey Decimal Classification system. Open access system is followed in the library. The library has been actively conducting NPTEL

Video courses for students. It has also made DELNET - Institution Membership, National Digital Library and Inter Library loan available for the students.

To inculcate the book reading habits among our students and to enrich the technical knowledge by utilizing text books and reference books, an exclusive Library Hour is included in the class time tables for all the years.

Profile- Librarian

Dr. K. Sudha holds a Ph.D., M.Phil., M.L.I.Sc., and M.Com. She currently serves as a Librarian at SSM Institute of Engineering and Technology in Dindigul, Tamil Nadu, bringing 20 years of experience in Library Science, specializing in Automation and Information Retrieval Techniques. Dr. Sudha is an accomplished author, having published 3 books on Spiritual and Child Psychology. Her achievements include winning the State Level Quiz competition in Library & Information Science and securing the Runner-up position in a District-level Chess competition. Additionally, she was awarded a Silver Medal for completing the NPTEL Course on "Developing Soft Skills and Personality." Dr. Sudha is an active member of the Delhi Library Association and the Indian Academic Library Association (IALA) in Bangalore.

She is actively involved in coordinating cultural activities and promoting Tamil language and literature through the Tamil Mandram. Additionally, she plays a significant role in motivating and training students for debates, speech, and essay writing competitions, fostering their skills and participation in these intellectual activities. Being an Editorial Board Member of College Magazines indicates her involvement in the creative aspect of showcasing students' work and contributing to the college publications. Also, she participates in webinars and workshops to stay updated on the current trends and developments in the library field.

12. **Internet** browsing facilities are available in the library.
13. **AUTOLIB software** is used for all library transactions.

14. Institution has **membership** with **AUERC** (Anna University E-Resource Consortium), **National Digital Library** and **DELNET** for downloading the e-materials.
15. **Back Volumes Section:** Back volumes of journals have been neatly bounded and categorized for reference.
16. **Inter-Library Loan** facilities available.
17. **News Paper Clipping Services:** Notice Board is occupied at the entrance of the library and importance news cuttings were displayed at regular intervals.
18. **Question Papers:** Previous year Anna University Examination question papers have been segregated and categorized for students' reference.
19. Display of New Arrivals & Periodicals.
20. Faculty Publications and Research Papers are available for reference.
21. **Motivation:** Regular library users are appreciated with prizes during the Librarians' Day celebrations.

Inter Library Loan Facilities:

The institute has registered itself on DELNET that provides Inter Library Loan and Document Delivery Services. ILL requests can be registered in online for books. The resources are not available in the Union Catalogues and Journal Articles, requests can be sent to DELNET through e-mail.

Students Accessibility & Support for Self Learning

Remote Access:

- 1.DELNET
- 2.NDL (National Digital Library)
3. AUERC (Anna University E-Resource Consortium)
- 4.OPAC (Online Public Access Catalogue)

1. DELNET:

DELNET provides access to more than 3 crore catalogue records of books, journals articles etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. Through DELNET we access 911 online Journals for Engineering and Technology and also 10667 e-books in 705 categories. URL: www.delnet.nic.in

2. National Digital Library:

NDL is a project to develop a framework of virtual repository of learning resources with a single-window search facility. Filtered and federated searching is employed to facilitate focused searching so that learners can find out the right resource with least effort and in minimum time. The Institution has membership in National Digital Library. **10,02,18,178**

Resources Hosted in NDL. All types of resources such as Books, Audio Books/Lectures, Video lectures. Lecture Presentations/Notes, E. Books, simulations, Question Papers, Solutions, Thesis etc available. Students can download the e-materials through the following URL.

AICTE Outcome Based Education Engineering Books-

AICTE-e-Kumbh portal

Outcome-Based Education (OBE) is a student–centric teaching and learning methodology in which the course delivery, assessment are planned to achieve stated objectives and outcomes. It focuses on measuring student performance i.e. outcomes at different levels.

As per the instruction from AICTE, e- books are available for free access by faculty and students on AICTE-e-Kumbh portal. According to this purpose, all the above said books are downloaded and available at **SSMIET Website (E-Repository)**.

LIBRARY SECTIONS

Acquisition /Technical Section

- The books demanded by different departments are purchased and processed in this section.

Book Bank Section

- Under the Book Bank scheme, students are entitled to borrow maximum 5 text books at a time for a period of one semester. Students are served on first-come first serve basis.

Circulation section

- This section is in charge of Circulation of library materials. It oversees the general reading area as well as the open access collection. Registration of users, borrowing and returning of books and other materials are carried out at this section. The Librarian and Library Assistants are always around to assist you with all of these activities.

Stack Section

- All the Books are arranged on the racks in stack as per the Dewey Decimal Classification Scheme.

Periodical Section

- The Periodical section contains current issues of both foreign and local journals, magazines and newspapers.

Reference Section:

- Separate section for reference and its consists of Encyclopedias, Dictionaries, Yearbooks, General Knowledge, Aptitude, Gate, competitive examinations books like CAT, MAT, CSAT, TANCET, TNPSC, UGC-NET/JRF/SET, Banking and Civil service examinations.

Back Volume Section:

- Back volumes of Journals have been neatly bounded and categorized for reference

Digital Library:

- Digital Library is available with 10 computers to access all e-resources. (e-journals, e-books etc.) Also 6 computers are available for library housekeeping activities.

Issue and Return of Books

1. Only one renewal can be done and books need to be physically presented for renewals.
2. Reference books, Periodicals and copies of University examination question papers will not be lent.
3. When books are issued, students should check the pages of the issued books and if pages are found missing, they should report the same to the Librarian before leaving the Counter. While returning the books, if the pages are found missing, then the last borrower of the book shall be held accountable for the missing pages and shall accordingly be fined.

4. The Librarian may recall any book at any time even if the normal period of loan has not expired.
5. Absence to the college will not be permitted as an excuse for delay in returning the books.

Overdue Charges:

For default of return of books on the due date, a fine of Rs.2/- per day/per book will be levied.

Loss of Books:

Loss of books should be reported to the Librarian immediately in writing and the member should either replace it with another good copy of same edition or pay twice the cost of the book in addition to overdue charges.

No Due Clearance:

Final year students must return the library books before the issue of Hall Tickets and get the '**No dues certificate**' from the library. Rest of the students shall surrender all their books after the theory examinations. 'No Dues certificate' must be obtained by a student, before he/she leaves the college.

SUGGESTION

Members may suggest in writing to the Librarian about the purchase of any textbooks or reference books, which may or may not be available in the library or the books for which the number of copies may not be sufficient.

Guidelines to the users

1. All the users must register their names while entering the library using their Bar-coded ID cards.
2. ID cards are not transferable. Members are responsible for the books borrowed on their ID cards.
3. ID card has to be produced at the time of borrowing books.

4. The books borrowed have to be returned on or before the due date. Defaulters have to pay the prescribed fine for each book.
5. Loss of ID card should be reported immediately to the Librarian in writing.
6. As library is meant for silent reading and reference, the users are expected to maintain the same.
7. Personal belongings, text books and any printed materials cannot be taken inside the library. However, plain white sheets are allowed to take relevant notes.
8. Strict discipline must be maintained in the Library.
9. Students are instructed to handle books and reading materials very carefully. Marking in library books with pencil or ink, tearing the pages or spoiling the same in any other way will be viewed very seriously.
10. Damage to the properties inside the library will fetch a penalty – twice the cost of the materials.
11. Users should switch off the lights and fans when not required or while leaving the reading hall.
12. Users are expected to keep the library and the campus neat and tidy.
